The *Dawn Chorus* sings a wide range of beautiful harmony songs, taught by ear. There's no obligation to come every week. All you need is a willingness to have a go and experience the thrill of harmony singing in the exquisite acoustic and surroundings of Tremenheere Kitchen. There is no audition - all voices are very welcome: low voices, high voices, 'not sure what I am' and 'haven't sung for years' voices.

The *Dawn Chorus* is led by **Pip Wright**, a choir leader and with a passion for singing to enhance wellbeing and connection. Pip is committed to helping people find and develop their own voice through harmony singing.
