DARK SKIES, GUIDING STARS

Reconnect with the ancient tradition of finding our way by the stars

Join in an interactive afternoon with our special guests who have experiences, knowledge and stories to share. Be a part of an exciting Dark Skies heritage project and contribute your own sea-faring stories, ideas, anecdotes, expertise, or memories of Penwith and celestial navigation.

The outcomes of our explorations will feed into new songs to be performed at the 2018 Sea Salts and Sail festival in Mousehole.

If you are unable to attend but are interested in being involved in the Dark Skies Guiding Stars project you are also most welcome to contact us.

This is a Kana Kernow event, part of the larger Heritage Lottery funded Dark Skies Bright Stars project celebrating the Penwith Dark Skies Designation bid.
