1	<i>Phoenix Singers and Levow an Bys</i> using the outdoor Café area at Trevena Cross Garden Centre / Nurser for rehearsal sessions.	COVID-19 risk	People in the same space for a period of time, risk of infection due to movement of air particles and aerosols / distancing / contact infection	Participants & tutor	<ol style="list-style-type: none">1. Session outdoor - with plenty of ventilation2. Session to be planned to minimise risk i.e. no touching, use sanitized chairs set out in advance, bring own: music, water, sanitizer, refreshments.3. Participants required not to attend if have temperature, any C19 symptoms, recent positive COVID test or been in contact with someone with symptoms or who has tested positive or if they have been asked to self-isolate by test and trace service.4. Participants register in advance, are greeted and checked in by a volunteer who encourages C-19 risk reducing behavior (e.g. wearing face covering, moving to seat without passing other singers more than necessary).5. All participants to be socially distanced – with chairs set out in advance. Participants asked not to move chairs.6. Participants required to wear a face covering when arriving and leaving (although not when singing unless they wish to. NB Pip will not be wearing a face covering when teaching singing)7. Group of helpers on hand for each session to encourage, remind and therefore ensure whole group compliance with C-19 guidelines.8. No drinks or food to be shared – participants advised to bring own water9. Participants need to inform organisers if they develop symptoms within 7 days of event, and MUST use test and trace system.10. Participants agree to all of the above as part of booking process.11. Length of session: 1hr 30 minutes
